Miss C. M. Sedgwick.

My dear Mrs Robinson.

I was detained in Town longer than I expected. I have since been occupied with a participation by the loss of a dear friend, in the R. Road tragedy of the 8th — You will therefore I know kindly excuse my delay to report to you the result of my application for you —

The only Lodgings which I think will suit you — are to be obtained, for nearly

every room in the village
is engaged - is [illegible]
by a second room to
which there is no access
but thro' the larger
room, & the mistress of
the domicil hopes to
rent them both to one
party - they will very
comfortably accommodate
three persons at $5 to
each - the price asked
at present ~~they~~ one cannot
be obtained without the
other - But should
Mr Farley be willing to
make any arrangement
better meeting your conve-
-nience I will apprise
you -

Believe me – my dear
Mr. Robinson – with much
respect & regard yours
very truly
